Well done to Lyla Hennigan  
and Jaelyn McDermott who  
received our Star of the Week  
certificates today.

### Diary Dates:

Thursday 8<sup>th</sup> October- Tempest Photography

Thursday 15<sup>th</sup> October- Years 1 and 2 Maths  
parent work shop

Friday 16<sup>th</sup> October- Book character day

The week beginning 19<sup>th</sup> October- Parents  
Evening week (organisation to be confirmed)

The workshops will not take place in school.  
They will be uploaded to our website and  
Facebook page. More details to follow. 😊

### Home Learning

It is lovely to hear that children are  
enjoying their online activities.

Children have another online book  
and maths activity to complete this  
week.

They also have their home reading  
book and spellings in the blue box  
(above) to learn.

### School app

Please contact the school office if you  
are having problems accessing the  
school app. Key dates and reminders  
are uploaded to the school app 😊

Some of the learning that will take place  
next week:

Children will be describing The Dark. We  
have been enjoying exploring the character  
of The Dark in the book by Lemony  
Snicket.

They will be learning how to weigh objects  
in their Maths lessons next week.

We will also be exploring which material is  
the most flexible during our Science  
lesson.

Our class growth mindset quote is  
displayed at the top of this letter-  
Challenges make the brain grow  
stronger
