

Infant 4 Weekly Newsletter

Friday 11th September

Our class motto:

Challenges make our brain grow stronger!

Can children please learn the following Y2 Common Exception Words:

after, child, every, half

Well done to James Coughlan and Logan King who received our Star of the Week certificates today.

Diary Dates:

Friday 18th September- Online safety presentation

Thursday 24th September- Year 1 and 2 Phonics parent workshop

Friday 25th September- MacMillan Coffee Event

Thursday 8th October- Tempest Photography

Thursday 15th October- Years 1 and 2 maths parent workshop

Friday 16th October- Book character day

The workshops will not take place in school. They will be uploaded onto the website. More details will follow. 😊

Home Learning

Phonics home learning has been uploaded to the Seesaw account. Please encourage your child to learn the words displayed.

Children also have four Year 2 words to learn which are displayed in the blue box on this newsletter.

All children now have an Active Learn login. I have allocated each child with a maths game and online reading book.

Thank you for your support with your child's home learning.

Some of the learning that has taken place this week...

This week children have enjoyed reading the story of Dogger by Shirley Hughes.

In maths this week, they have been counting forwards and backwards from a given number.

Just some of the activities that children have enjoyed during their topic lessons have included: exploring parts of the Bayeux Tapestry and learning properties of materials.

Some of the learning that will take place next week...

Next week, we will be counting forwards and backwards in steps of 2 and 10.

We will be planning to retell our own versions for an ending to the story of Dogger.

We will be learning the song 'We will rock you' by Queen during our upcoming music lessons.
