

Infant 4 Weekly Newsletter

Friday 18th September

Our class motto:

Challenges make our brain grow stronger!

Can children please learn the following Y2
Common Exception Words:

could, should, would

Well done to Callum Eccles
and Holly Hilton who
received our Star of the Week
certificates today.

Diary Dates:

Thursday 24th September- Year 1 and 2
Phonics parent work shop

Friday 25th September- MacMillan coffee
event

Thursday 8th October- Tempest Photography

Thursday 15th October- Years 1 and 2 Maths
parent work shop

Friday 16th October- Book character day

The workshops will not take place in school.
They will be uploaded to our website. More
details to follow. 😊

Home Learning

Children have been given their logins
for their Active Learn account. They
have been uploaded to the Seesaw
account. If your login doesn't work,
please let me know.

Children have an online book and
maths activity to complete.

They also have their home reading
book and spelling in the blue box to
learn.

Some of the learning that will take place
next week:

Children will be writing their own
alternative ending to the story of Dogger.

They will be learning how to add two 2-
digit numbers together in maths.

We will also be exploring materials that we
can see around school.

Some of the learning that has taken
place this week...

Children have enjoyed sequencing the
story of Dogger this week. During
their maths lessons, they have been
ordering and comparing different
amounts.

Just some of the activities that
children have enjoyed during their
topic sessions have included: playing
team games during PE, exploring
different materials in Science and
learning about The Battle of
Hastings in History.
