Home Learning

Children have an online book and maths activity to complete on their Active Learn account. It has been lovely to hear that they are enjoying some of the activities on there.

They also have their home reading book and spellings in the blue box to learn.

School app:

Please contact the school office if you are having problems accessing the school app. Key dates and reminders are uploaded to the school app 😊

Some of the learning that will take place next week:

Children will be exploring subtraction in their Maths lessons next week. During our English lessons, we will be looking at a wonderful book called 'The Dark' by Lemony Snicket.

Some of our afternoon activities will include learning all about how and why castles changed over time, using paint during our art lesson and continuing to explore the music of Queen in our Music lesson.

Our growth mindset quote of the week:

I can do this!
