Lower Junior news!

'In this room, we don't do **easy** we make easy happen through **hard work** and **learning!**'

Hello everyone,

This week was road safety week so the children have been doing a range of different activities around this topic and created posters to help younger children understand the dangers. In geography, the children continued to work on their persuasive leaflets for Liverpool.

In maths, the year 3 children have been drawing and identifying the properties of 2D shapes. In English, the class have been raising and answering questions about different explanation texts and created text maps to recite different explanations.

The year 4 children have been reading analogue and digital time. They have also been converting between different measurements of time.

Thank you for all your kind donations of sweets or a toy, towards the Christmas fair. Next Friday (29th November) will be another non uniform day we are asking the children to bring a bottle for our bottle tombola store.

On Thursday 12th December, unfortunately Cobbs Brow will be closed due to voting. We apologise for any inconvenience.

The children who have speaking parts for our x-mas play will need to revise these frequently. This can replace reading home school readers on some nights. Over the next few weeks, children will be bringing home the songs for the Christmas play. We would like the children to practise these at home and have told them that this can also be part of their reading at night. This can be signed as usual in the children's reading records. **Our Christmas performances will be Monday 16th December at 7.00pm and Tuesday 17th December at 9.30am. The children will also have their Christmas party on Tuesday 17th December in the afternoon. More information will be given out about the sale of tickets closer to the time. We have also got our school X-mas fair that will be taking place on the 30th November.**

We have also got our school X-mas fair that will be taking place on Saturday 30th November. There will be lots of stalls and even the chance to meet Santa in his grotto.

Home learning

Home learning is on questions marks and number bonds.

Year 4s home learning is fronted adverbials and time.
