# Lower Junior news!

---

'In this room, we don't do **easy** we make easy happen through **hard work and learning!**'

Hello everyone,

The children have had a great week in school and have all been working extremely hard. In maths, the children have been solving problems involving missing numbers and finding the difference between two numbers using a number line. In English, the children have started a new unit of work on explanation texts. They have been exploring different explanation texts and recreated the process of digestion.

In science, the children have been researching about evolution and learning about how humans evolved from primates. They have also started to explore forces and have been finding different ways in which they can move an object. In geography, we have been looking at landmarks and famous buildings in Liverpool.

A huge well done to **Raygn Lancaster- Lyness and Elliot Freeman** who represented Cobbs Brow in the handball tournament this week winning 4 out of 5 games. **Henry Rogers-Smyth and Ethan Scott** also took part in the WLSB Boccia & Curling event today coming away with silver medals. All children represented the school fantastically and I was extremely proud of them.

**On Monday 11<sup>th</sup> we are trying to get children to come to school in odd socks. This is part of anti-bullying week and the reasoning behind this is to promote that it is ok to be different and celebrate us being unique. The children will be doing different activities across the week around this topic.**

Most parts have been given out for the Christmas play now. Those children who have speaking parts will need to revise these frequently. This can replace reading home school readers on some nights. Over the next few weeks, children will be bringing home the songs for the Christmas play. We would like the children to practise these at home and have told them that this can also be part of their reading at night. This can be signed as usual in the children's reading records. **Our Christmas performances will be Monday 16<sup>th</sup> December at 7.00pm and Tuesday 17<sup>th</sup> December at 9.30am. The children will also have their Christmas party on Tuesday 17<sup>th</sup> December in the afternoon. More information will be given out about the sale of tickets closer to the time. We have also got our school X-mas fair that will be taking place on the 30<sup>th</sup> November.**

Next Friday (16<sup>th</sup> November) is Children in Need. We will be taking part in this as a school and the children can come in their own clothes for a small donation.

## Home learning

Home learning is a reading comprehension and times table practise.

Year 4s home learning is TTRockstars and reading.

A huge well done to the stars of the week:

### Junior 1

Lottie Bedford

Raygn Lancaster-Lyness

### Junior 2

Maddie Pritchard

Keira Chambers

Mr Jennings, Mr Roberts and Mr Carter
