

Infant 5 Weekly Newsletter – Friday 10th January 2020

Mrs Barrett, Miss Shallcross

Our class moto: "The greatest teacher, failure is" - Yoda

Welcome back to school!

You have all had a fantastic start to the Spring term!

Diary dates and reminders...

- Wednesday 15th January: Times Tables Rock Stars parent meeting in Infant 5, straight after school. This will be a short meeting informing parents how to log on to Times Tables Rock Stars, the aims behind the app and a chance to ask any questions.
- Friday 7th February: Whole School Number Day

PE sessions are on Mondays and Wednesdays. These sessions are indoors this half term so children will just need PE pumps, shorts and a white t-shirt. Children are not able to wear earring during these sessions.

Home Learning task:

This week's home learning task is linked to our science. Children will be identifying different mammals, reptiles, amphibians, fish and birds in our science lesson next week.

For their home learning, children need to know 1 example of: a mammal, a reptile, an amphibian, a fish and a bird.

Children could draw and label these animals or write their names into their home learning book.

Some of the learning that has taken place this week...

In Maths we have recapping 10 more and 10 less, used number lines to represent numbers and partitioned numbers in different ways. In English we have begun reading Peter Rabbit and described Mr McGregor's garden using ambitious adjectives. In Geography we have learned about fossil fuels and in Science we have discussed how we know that things are alive, used to be a live or have never been alive.

Next week...

In English we will be developing our understanding of sentence types and tenses. In Maths we will be using known facts to derive further facts. In Science we will be learning about the differences and similarities of mammals, reptiles, amphibians, birds and fish. In Geography we will be learning about the greenhouse effect and how fossil fuels affect our atmosphere.

Spellings to practise for next Friday's test:
