Home Learning task:

This week our home learning task is linked to our Science and has been set by Miss Wiswell.

The children have been learning about the eatwell plate and the need for a balanced diet. For their home learning, children need to help cook/prepare a healthy meal with an adult at home. Children could take a photo of their meal or write what they did to help make sure it was a healthy meal.

Children will share what healthy meal they planned or cooked/prepared with Miss Wiswell next Friday.

Diary dates and reminders...

- Friday 22nd November: Non-uniform day. (Please could a small gift or toy be donated to the Christmas fair?)
- Friday 29th November: Non-uniform day. (Please could a bag of sweets or bottle be donated to the Christmas fair?)
- Saturday 30th November: School Christmas Fair. 10am-12
- Thursday 5th December at 1:30: Year 1 and 2 Christmas play for parents. TICKETS ON SALE EVERY MORNING IN CLOAKROOM.
- Friday 6th December at 9:30: Year 1 and 2 Christmas play for parents.
- Wednesday 11th December: Art Gallery - Parents are invited into school to view children's artwork.
- Thursday 12th December: School closed for voting day.
- Monday 16th December: Christmas party for year 1 and 2. Children can come to school in their party clothes.
- Wednesday 18th December at 9:30: Y1 and 2 Carol Concert for parents.
- Friday 20th December: School closes for Christmas at 2:30

Some of the learning that has taken place this week...

In Maths we have explored fractions of shapes, images and amounts. In English we have continued to read 'The Dark' by Lemony Snicket – we have pretended to be Laszlo and answered questions about his house. In Science we have discussed what a healthy diet looks like and the words: carbohydrates, protein, dairy, fats, fruit and vegetables. In DT we have made our team cars. They were fantastic! 😊

Next week...

We will move on to looking at money in our Maths lessons. In English we will be writing character descriptions of the dark. In History we will continue to research the life and goals of Elon Musk. In Science we will be thinking about how exercise keeps our bodies fit and healthy.

Spellings for next Friday's test. Please practise:
