Home Learning task: This week our home learning task is linked to our English.

It will be our Big Write next Monday. We will be re-telling the story of Buster the Dog (John Lewis Christmas advert from 2016.) For their home learning, children need to think of some exciting vocabulary to include in their Big Write. These words could be to describe the dog, the little girl, the weather outside and how the little girl and Buster feel at certain moments during the video clip...

We have talked a lot in class about using a range of vocabulary in our writing and the children have been working hard to include exciting words and phrases in their writing.

Some of the learning that has taken place this week...

In Maths we have practised our times tables. In English we have written fantastic stories of our own inspired by The Dark. In Geography we have begun to learn the continents and oceans of the world. In Art we have made Christmas decorations which will be available to view and take home during the art gallery next Wednesday.

Next week...

We will be completing our 2nd big write of the year on Monday all about Buster the Dog (John Lewis Christmas advert 2016) In Maths we will be completing some end of year assessments. In Art we will be evaluating our Christmas decoration. In Geography we will be creating a route for Father Christmas to use when delivering presents around the world. We are also giving Christmas cards to elderly visitors on
