Diary dates and reminders...

- Monday 6th January 2020: School re-opens at 8:50
- Wednesday 15th January: Year 2 Times Tables Rock Stars - Parent meeting straight after school in Infant 5.

I would like to take this opportunity to say a huge thank you for your support this term. The children have worked extremely hard to develop their skills across all subjects, but more importantly, they seemed to have really enjoyed our learning! They are all amazing and they impress me every day. I cannot wait to continue our learning in the new year. I hope you all have a lovely Christmas.

From Mrs Barrett x

Home Learning task:

After Christmas, our new topic is *Penguins, Pandas and Parrots*. We will be learning about animals in science and, more specifically, endangered animals.

If they would like, children could research about an endangered animal to share with us in class in January.

Some of the learning that has taken place this week...

In Maths we have practised our recall of times table facts. In English we have worked together to answer a reading quiz. In Art we have made some beautiful Christmas cards!

After Christmas...

English: We will start a focus on our new book 'Peter Rabbit'.

Maths: We will return to number and place value.

Science: Our focus will be on endangered animals and their habitats.

Geography: We will be exploring fossil fuels vs renewable energy and finding out about global warming.

Art: Our focus will be on drawing and sketching animals using different media.

Spellings for the first Friday after Christmas:

busy people water again
