

Friday 18th March

Lower Junior News!

'We believe in the power of YET!'

Hello everyone,

Well, the children have worked incredibly hard this week. It has been assessment week and the children have done well in their tests. Once completed as part of our explanation unit all children recreated the process of the digestive system, see photos on seesaw for more! We also started our 3D shapes topic in maths identifying properties of shapes and exploring similarities and differences.

In our afternoon lessons we have looked at the different layers of the Earth. Children created a dirt pudding with different treats they were able to talk about each layer and what the treat represented. See photos on seesaw for more. We also started work on our latest art gallery challenge we will be creating a new t shirt for the Queens jubilee in the style of the Rolling Stones famous logo. We will show our finished product when it is complete.

Parents Evening

Parents evening will take place on Thursday 31st March. We are pleased to say we are able to invite you back into school for this this year. We have sent reply slips home now with your time slots. If you haven't sent your form back in please send in Monday so we can allocate you a time.

End of Term

We will be breaking up for the Easter break on Friday 1st April at 2:30pm. School will reopen Tuesday 19th April. We hope you enjoy the break!

Spanish Phrase of the week: Hasta Luego = See You Later

Home learning

Year 3: Reading and Times Tables Rockstars Battle

Year 4: Time and Book Review

A huge well done to the stars of the week:
