Growth Mindset

As part of our promotion of Growth Mindset, we are focusing on the quotes ,

'You are braver than you believe, stronger than you seem and smarter than you think'.

'A child with a smile will go the extra mile'

Friday 4th September

Dear Parents,

WOW! What a start we have had! Thank you to everyone for your support over the first couple of days. Next week we will be starting the topic 'All About Me'. The children will be talking about their families, themselves and what they get up to at home. Please feel free to send in a family photo to display in the classroom for your child to look at during the day.

A Few Reminders:

- Remember to observe social distancing rules at drop off and pick up times.
- Please do not send any extra bags into school whenever possible.
- Please do not bring toys into school.
- Make sure that all items including water bottles are labelled.
- Do not let children play on the garden equipment at the start or the end of the day. Staff will have cleaned the equipment ready for class use.
- We still have nursery places available for our 2-3 year olds. If you know someone who requires a place please contact the office on 01695720632.

Ideas for learning at home:

- Talk about what the children have enjoyed at school.
- Talk through the new routine of drop off and pick up.
- Draw a picture of all the people who are special to you.
