

Week 4

Hello everyone, happy Friday to you! I hope you all have an amazing weekend together. We have had an fabulous week in school this week and the children have well and truly earned a rest! They are making me smile in so many different ways!

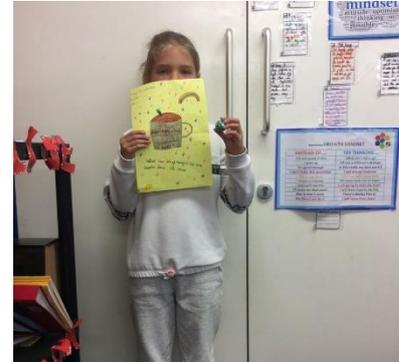

Thank you for your donations for Macmillian! We have raised lots of money today! The children loved taking part in this event and they were so proud to be a part of it.

This week we continued with our Viking topic and we found out the main events which took place during this period of time. We cannot wait for our Viking day next Friday!

This week's workers of the week are Harry O'Neill and Mollie Bentham. Mollie is an outstanding pupil who works her socks off every lesson! She also has a beautiful smile. Harry is so enthusiastic and has a fantastic sense of humour! Well done to you two.

Our star in the jar children this week were Eva, Evan and Jade! These children collected the most stars throughout the week so a massive well done to you three!

For Maths Homework: Children will be given their new mental maths papers to practice on Monday. Please can they also remember to spend time on times table rock stars. **For English homework** I would like the children to read the chapter of Goodnight Mr Tom, which will be given out on Monday. We will be answering questions about this chapter in school next Thursday. While reading, children should underline any words they cannot read or can read but do not know the meaning of. They should then spend time with you to learn how to read unfamiliar words and discuss the meaning of words to ensure their comprehension is clear. This can be recorded as their home reading for the week.

Dates to put in your diary Friday 2nd October is the lower junior dress up day and Junior 3's theme is Vikings. Children will take part in **practical Viking activities**. Dressing up helps them get into character but wearing a costume is not compulsory. Junior 1 and 2 will be dressing up as Romans.

School App – please remember to look at our school app for the latest news/updates. If you cannot access, it please can you call the school office to help you with this. **Seesaw** if you are having trouble linking up to seesaw please come and speak to me down the path at home time and I will help you with this.

Have an amazing weekend! Kind regards Miss Jones & Miss Porter
