

## Infant 4 Weekly Newsletter -Friday 6<sup>th</sup> May 2022

Miss Charnock, Mrs O'Sullivan, Miss Whittle

Our class moto: "Challenges help our brain to grow stronger"

Well done to last week's Stars  
of the Week!

Bella and Sienna S

### Diary dates and reminders...

Lego Club every Wednesday until 4pm.

- **Wednesday 25<sup>th</sup> May** - Individual photo day.
- **Friday 27<sup>th</sup> May** - Last day before half term.
- **Saturday 25<sup>th</sup> June** - Summer Fair 10-12.

Next week, we will be sending home details and permission slips for our Y1 and Y2 school trip. Please read these letters carefully and send completed forms back to your child's class teacher.

Spanish phrase of the week:

How's it going? — *¿Cómo te va?*

Very well — *Muy bien*

### Home learning

#### Maths homework-

Practise recalling the inverse of your 2x tables e.g: If  $2 \times 4 = 8$ , then  $8 \div 4 = 2$

Reading daily - This is the most important thing children can do at home. We want the children to be as fluent and as confident as possible.

#### English homework:

Can you make a word class poster? Make yourself three section: nouns, verbs and adjectives. Try and list as many examples of these word types from looking around your home! E.g: Nouns: table, TV, brother. Verbs: run, skip, boil, shine. Adjective: large, bumpy, colourful...

### Next week's learning...

In **English**, we will be writing and presenting our own chapter for A Bear called Paddington!

In **maths**, we will revisit counting in 2s, 5s, 10s and 3s, as well as looking at the inverse of our times table facts.

In **geography**, we will be comparing Skelmersdale to Alice Springs in Australia.

In **science**, we will take part in a seasonal walk around school and make collages to show signs of spring.
