

# Junior 4 & 5 News!

Dear Parents,

What a great week we have had. We have hit the ground running this week and we are immensely proud of all the children. We would like to take this opportunity to thank you for your continued support throughout our time being closed. This week in science, the children have investigated the electrical conductivity of different materials through planning and carrying out an experiment. In RE, we have looked at sacred texts from the Guru Granth Sahib and discussed the meaning of some prayers.

## A few reminders:

- PE sessions on Mondays for the Year 5 children and Tuesdays for all children in Junior 4 and 5. Please make sure that your child has got their full PE kit in school.
- Parents' evening takes place on the Wednesday 24th and Thursday 25th March. Due to the current circumstances, we will be holding this via telephone.
- We finish for Easter on Friday 26th March at 2:30pm.

## Homework for Year 6 J4 and J5:

Children have brought home their grammar and maths workbooks.

- Grammar - complete page 30 and 31.
- Maths - complete page 30 - using one of the inequality signs, fill in the box to make the calculation correct. Remember, **B O D M A S**.

Homework needs to be brought back into school by Tuesday please.

### Reading and Spellings

Your child will bring home their reading book and we encourage children to spend about 15 minutes reading to an adult at home each evening. This is very important and in Year 5 and 6, children need to work on reading for lengthier periods, in order to build their reading stamina. Children also need to practise their spellings every night ready for their test on a Friday.

### Stars of The Week

Junior 4: Alex Scott & Layla Murphy  
Junior 5: Kiki Waite & Jacob McGlone  
Miss Taylor: Sofia Hamer & Jack Munro

As part of our promotion of Growth Mindset, Junior 4 and 5 are focusing on the quote, 'If it doesn't challenge you, it won't change you!'

Thank you  
Mrs Pugh, Miss Spencer and  
Miss Taylor
