- **Tuesday 12<sup>th</sup> July**- invite parents to see new class for next year (3:10 to 3:30pm)
- **Thursday 21<sup>st</sup> July**- end of term

### Our learning

In English this week we have started looking at the story ‘Where the Wild Things Are’ after one of the Wild Things appeared in our classroom! Children have loved participating in some drama activities and have written in-role as the main character.

In Maths we have been learning about o’clock and half past times. We have discovered the hour hand is shorter and the minute hand is longer.

Next week is a short week but we will continue to explore the story ‘Where the Wild Things Are’ and in Maths we will begin to look at number and place value: identifying and comparing 2-digit numbers.

#### **SPANISH PHRASE:**

How have you been? — *¿Cómo has estado?*

Good, thanks — *Bien, gracias*

### Home Learning

Please could you continue to look at o’clock and half past times at home and also discuss what time certain things are done in their day eg tea time, bed time, swimming lesson times etc .

Please also continue to practise some real and ‘alien’ words given out at Parents Evening- just a couple at a time. This is just to prepare them for the Phonics Screening in June.

Spellings for next Friday:

*once ask friend  
school put*

Many thanks, Mrs Quirk
