### Home learning

Maths home learning: See printed sheet for practise in blue bags

Reading daily - This is the most important thing children can do at home. We want the children to be as fluent and as confident as possible.

Geography home learning: We will be using the four points of a compass next week! Can you use a compass to find what is in the north, east, south and west of your home or garden/street? You can download a compass on phones and tablets.

### Diary dates and reminders...

- Wednesday 25<sup>th</sup> May - Individual photo day.
- Friday 27<sup>th</sup> May - Last day before half term.
- Tuesday 21<sup>st</sup> June - Y1 and Y2 trip to Liverpool World Museum.
- Saturday 25<sup>th</sup> June - Summer Fair 10-12.

Trip forms- please can you return both the trip letter and medical form. Thank you 😊

### Next week's learning...

In English, we will be practising our reading comprehension skills.

In maths, we will practise our reasoning skills when answering word problems.

In geography, we will be using compasses to locate parts of our school grounds.

In science, we will begin to focus on how plants grow from beans to seeds.
