Our learning

In English we have planned our own story called ‘Where the Magic Things Are’ and have started to write it, using our best handwriting.

In Maths we have been solving missing number problems involving addition and subtraction. We have looked at how addition and subtraction number sentences are linked.

Next week we will be continuing to write our stories and working on our addition and subtraction skills. We will also have fun celebrating the Jubilee!

Home Learning

<https://www.ictgames.com/mobilePage/smoothie/index.html>

This is a game to practise quick recall of addition and subtraction facts.

[Forest Phonics - mobile friendly \(ictgames.com\)](https://www.ictgames.com/mobilePage/forestPhonics/index.html)

This game helps to practise phonics skills.

No spellings to learn for next week. We will assess the children on their spellings of the 45 Year 1 words and send home which they need to practise.
